PARIS PARALYMPIC GAMES

The Games continue!

This *exciting* summer carries on. As the world gets ready to now tune into the Paris Paralympic Games, the Women's Sports Foundation continues to celebrate our 50th anniversary this year.

For 50 years, WSF has been a leader and champion of the entire women's sports ecosystem, helping girls and women play, compete and lead without barriers, including at the highest level of sport. WSF is proud to have supported close to 2,000 women athletes through our many grant programs.

As the Paris Paralympic Games begin, we are excited to share our Team WSF which includes Women's Sports Foundation Travel & Training Fund, Scout Bassett Grant, Child Care Grant and Salute Award recipients, and a Trustee and Past President.
